

Orphaned Parcels

The **orange** parcels on the right are in the **Glen Knolls** Home Owners Association.

The **blue** parcels on the left are within the **RCPOA** boundaries as currently indicated on the RCPOA website. (The red boundary shown here is the proposed new boundary.)

The 13 **yellow** parcels in the middle are orphaned.

Note that the orphaned parcels include the homes of some rather active RCPOA members (the Mastros and Karen Pack specifically).
